WHY SAMSUNG
SMART DOORLOCK

300 — 300,000 times locking test to ensure the lock will hold up for long term use.

120 — 120,000 times mortise operation tests.
20% more than the KS requirement (100,000 times), internal quality standard increased.

82 — 82 domestic and international design awards.
World's Three Top Design Awards: iF Design Award (Germany), Red Dot Design Award, IDEA Design Award (U.S.) (Prizewinning Count: Based on product models)
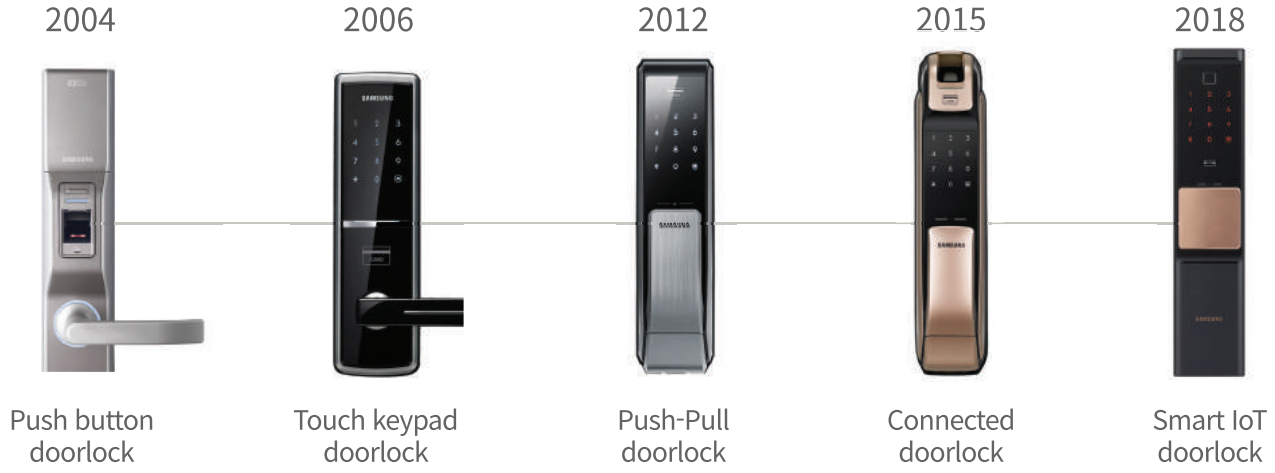

45 — 45,000 times door open/close test in a real-life environment.

22 — 22-year of experience in the home network business.

06 — Restriction of six specific harmful substances in the products.
